OUTDOOR FITNESS

PROBUILDER
OUTDOOR FITNESS SYSTEM

The Pro-Builder Outdoor Fitness series sports a sleek new patented design unlike any other in the market. Common parts shared across the range makes maintenance absolutely a no sweat affair. With good looks and proven functionalities, it's such a great value for a nice workout under the blue sky.

---	---	---	---

Feeling tight and stiff at the joints? The couch potatoes of today's society are not fully utilizing the body's whole range of motion. The PARCOURSE SERIES are made to turn back those potatoes into lean meat. A wide range of stretches and work outs will bring back strength, agility, and balance in an individual.
